# CHARDONNAY

## CALIFORNIA

Rebel Ridge Chardonnay is born from California's sun-kissed days and cool nights. Our winemaking team harnesses the abundant California sunshine to craft a luscious, vibrant Chardonnay that is balanced by the cooler nights.

Rebel Ridge Chard24 is the affordable indulgence for wine enthusiasts who relish a rich Chardonnay. It unveils with a classic hint of vanilla and oak, leading to a buttery palate adorned with succulent pear and lemon curd notes, accented by nuances of exotic fruits. The beautifully rounded profile is the result of the marriage of Californian Chardonnay and American oak barrels.

### FOOD PAIRINGS

Whether sipping leisurely or pairing with rich pasta dishes or poultry, Rebel Ridge Chard24 is sure to bring a symphony of flavors to your palate.

Varietal: Chardonnay
Region: California
Alcohol: 13.5%

Rebel Ridge draws its name from the majestic mountain 'ridge', nestled amidst sprawling Californian vineyards, where three visionary 'rebels' in the wine world would convene. The head winemaker, hailing from the famous vineyards of Valpolicella in Italy, was eager to harness the abundant Californian sunlight. Their collective vision: a style less bound by pretense and more inclined towards a "full-on fruit" experience. Rebel Ridge stands as a testament to their determination to break free from the confines of tradition, creating wines that resonate with the vibrant spirit of California, basking in the sun-drenched hours that define the region.
